

## ***WELCOME TO THE CHURCH OF SEVEN PLANES!***

The Church of Seven Planes (CSP) is a World-Wide Interfaith Church Headquartered in beautiful Cooper Texas.

The CSP holds many truths to be evident, but we do not insist that others accept this philosophy. But, we hope that one day all people will see the inherent truth that lies around them, not just in holy places or churches or with particular people but everywhere, and will order their lives thereby.

We also believe that every person must experience the truth for themselves in order for it to take a hold of their life and become their guiding revelation.

### Embodiment Of Doctrine

Inasmuch as the CSP welcomes to its membership all who are seeking truth, it does not require its members to accept this statement of doctrine. This is simply our view. We are prepared to ordain anyone who asks for it, because we believe they are seeking the truth as are we all. That's the most important thing.

### Our Beliefs

There is one supreme being, no matter what name he/she is called.

There is no one religion as such, but many different interpretations and spiritual ways of living and connecting to something greater.

Everyone is entitled to their own belief system. It is not our right to tell others how to believe, think, dress or behave.

To treat others as we want to be treated is a major law.

We learn from each other and our inner self. Nothing is impossible, miracles happen all the time, we just need to open up and see them.

We hold that a truth nor a revelation is not a truth for a person unless they see it for themselves.

There are many different churches in the world today with many different interpretations of what the Bible or other holy writ means and stands for. We feel it is time to have a church to help ourselves and others with differing beliefs as well.

At the CSP we do not require that you give up your present beliefs or your present church to become a Minister with us. We believe that it is your right to believe as you feel led and not as we tell you to live.

### Our Affiliations

We are continuously asked who we are affiliated with.

We felt it necessary to make this public explanation. The CSP is an independent church affiliated with no other church except those that are chartered with us and those of our ministers.

We are not nor have we ever been affiliated with The Universal Life Church or any of its affiliated organizations, though many ministers belong to both the CSP and the ULC. But, our ministers are allowed to work and belong to as many ministries as they wish or wherever their work may take them.
